

Welcome to [**Guangdong Tin Box Manufacturer**](#), we are a leading tin box manufacturer in China, focusing on the production of high-quality tinplate cans. Our 200g tea tin can is made of high-quality tinplate material, with a thickness of 0.23mm and a size of 90x125mm. It is specially designed for tea storage, ensuring your tea is fresh, safe and beautiful.

Product Features:

High-quality tinplate material: Made of food-grade tinplate to ensure the safe storage of tea.

Exquisite design: The can size is 90x125mm, suitable for 200g tea, and has a beautiful and generous appearance.

Moderate thickness: The material thickness is 0.23 mm, which ensures the durability of the tin can.

Multi-purpose: Not only suitable for tea, but also can be used to store various foods such as coffee, candy, biscuits, etc.

Our advantages:

High quality assurance: We pay attention to product quality, and every process from material selection to production is strictly controlled.

Personalized customization: Support customization of various sizes, shapes and patterns to meet your personalized needs.

Professional team: We have an experienced design and production team to ensure that every product meets your expectations.

Global supply: We are committed to providing high-quality products and services to customers around the world, so that you can enjoy our high-quality tin boxes wherever you are.
