

1. High-quality Materials and Exquisite Craftsmanship

This butter egg roll tin box is carefully made by our [China Tin Box Factory](#) and is designed for preserving and displaying high-quality egg rolls. The tin box is made of high-quality tinplate with a material thickness of 0.23 mm and a size of 185x185x130 mm, which can hold up to 600 grams of egg rolls. This tin box has excellent sealing performance, which can keep the egg rolls crispy and fresh. It also has a high-end and atmospheric appearance design, which improves the overall grade of the product.

The tinplate material we choose is strong and durable, and can provide excellent moisture and oxidation protection to ensure that the egg rolls are not damaged during transportation and storage. The fine craftsmanship makes every detail of the tin box perfectly displayed, reflecting our strict requirements for quality.

2. The perfect combination of design and function

This tin box is not only excellent in function, but also outstanding in design. Its simple yet elegant appearance, combined with a variety of customized printing solutions, makes this tin box not only a part of the product packaging, but also a work of art that can attract consumers' attention.

The size and structure of the tin box have been carefully designed to ensure the space requirements

for loading 600 grams of egg rolls, and also provide convenient opening and closing methods, making it more convenient for consumers to use. The sturdy structure of the tin box enables it to be reused, further enhancing its practicality and environmental protection.

3. Conclusion

Our Chinese [tin box factory](#) is committed to producing high-quality and high-value tin box packaging, providing customers with a full range of packaging solutions. This butter egg roll tin is a perfect reflection of our manufacturing capabilities and design innovation. With 15 years of industry experience, a professional design team and strict quality control, we will continue to provide customers with packaging products that exceed expectations.
