

In the pursuit of quality and taste, details determine everything. China tin box factory brings you a unique cigarette tin box, which perfectly combines traditional craftsmanship with modern design, making your cigarette storage and carrying more noble. This cigarette tin box is made of high-quality tinplate with a material thickness of 0.23 mm, which is sturdy and durable, providing the best protection for your cigarettes.

Product highlights:

1. Elegant size

The cigarette tin box measures 96x96x12 mm, with exquisite design and easy to carry. Whether placed in a pocket, handbag or car storage compartment, this iron box can provide you with convenience anytime and anywhere.

2. High-quality materials

We select high-quality tinplate materials to ensure that the iron box is sturdy and durable, and at the same time has moisture-proof and rust-proof functions, which can effectively protect the quality of cigarettes and prevent cigarettes from getting damp and deteriorating.

3. 3D engraving technology

The text and brand LOGO on the iron box cover adopt advanced 3D engraving technology, finely depicting every detail, making the pattern more three-dimensional and visually impactful. Every time you touch it, you can feel the exquisiteness and texture of the engraving, showing your pursuit of

quality and unique taste.

4. Personalized customization

In order to meet the personalized needs of customers, we provide flexible customization services. Whether you want to print a unique pattern on the iron box or engrave your personal name and logo, we can tailor it for you and create a unique cigarette iron box.

Ordering instructions:
