

Custom Metal Packaging Box - Premium Quality from a Trusted Chinese Factory

When it comes to creating lasting impressions, packaging matters just as much as the product itself. A [Custom Metal Packaging Box](#) not only elevates the perceived value of your goods but also protects them with durability, style, and functionality. As a leading **Custom Metal Packaging Wholesaler** and **Custom Metal Gift Packaging Box Manufacturer**, we specialize in providing bespoke solutions that blend aesthetics with practicality.

For over 16 years, we have been a trusted [Custom Metal Packaging Box Chinese Factory](#) serving global brands with high-quality tin packaging. From concept design to mass production, we deliver innovative packaging that meets international standards while reflecting your unique brand identity.

Why Choose Our Custom Metal Packaging Boxes?

1. 16 Years of Manufacturing Experience

With more than a decade and a half in the metal packaging industry, we have perfected every aspect of production—from precise cutting and shaping to high-resolution printing and surface finishing. Our expertise ensures that your packaging not only looks premium but also functions flawlessly for years.

2. Verified and Trusted by Global Brands

We are proud to have passed strict factory audits from world-renowned companies such as **Coca-Cola** and **Disney**. These endorsements prove our commitment to ethical production, product safety, and exceptional quality control.

3. Food-Grade Tinplate Materials with FDA Certification

Our custom packaging boxes are made from high-quality food-grade tinplate, ensuring both durability and safety for food-related products. We hold official FDA test reports, giving you confidence that your packaging complies with international safety standards.

4. Full In-House Production for Cost Efficiency

As a factory-direct supplier, we control every stage of the manufacturing process—design, printing, stamping, assembly, and quality inspection—allowing us to offer competitive wholesale prices without compromising on quality.
