

As a **professional manufacturer of custom-printed small tin boxes with handles**, we have been deeply engaged in the tin packaging industry for many years, meticulously controlling material selection and craftsmanship. The 0.23mm thick tinplate we use not only offers excellent corrosion and pressure resistance, effectively protecting the contents from moisture and pressure, but also provides a smooth and uniform base for printing. Our sophisticated CMYK + spot color printing technology allows us to accurately reproduce brand logos, patterns, textures, and even gradient effects, making these tin boxes both practical and brand-displaying. Whether used for food, accessories, or cultural and creative product packaging, they create a unique and refined look.

Our factory-wide, **custom-made small tin boxes with handles in China** leverages large-scale production to offer cost-effective bulk supply. Our factory utilizes standardized production lines, fully automated throughout the entire process from tin cutting and forming to printing and assembly, ensuring that each batch of products has a dimensional tolerance of $\leq 0.5\text{mm}$ and a sturdy, burr-free structure. The rolled-edge handle not only facilitates portability but also enhances safety. The three-piece can structure makes filling and dispensing easier, making it ideal for bulk packaging of small items such as candy, tea, and small hardware. Leveraging China's comprehensive supply chain, we can quickly respond to wholesale orders, support both small-batch trial production and large-volume, stable supply, and meet the inventory turnover needs of diverse customers.

As a **reliable supplier of custom tin boxes with handles**, we prioritize customer needs and offer comprehensive customization services. Beyond basic size and printing customization, we can also adjust structural details to suit the specific needs of your industry, such as adding inner supports, modifying the handle curvature, or optimizing sealing performance. From initial design discussions to sample confirmation and mass production delivery, our dedicated team ensures the customized solution delivers as expected. We adhere to strict quality inspection standards, and each tin box undergoes pressure resistance, drop resistance, and print adhesion testing before shipment. We provide customers with packaging solutions that combine aesthetics with durability, helping brands enhance product value.

COMPANY PROFILE

SHENZHEN SHANGZHIMEI CREATIVE PACKING CO., LTD.

ABOUT US

Shenzhen Shangzhimei Creative Packing Co., Ltd. was established in 2016 and located in Shenzhen city in China. Specialized in manufacturing high quality custom tin box packages, which are applied for cookies, candies, chocolates, tea, cosmetics, 3C products, gifts, supplements and other industries.
