

As a professional [\*\*Custom Rectangular Candy Tin Box Manufacturer\*\*](#), we specialize in producing premium tin packaging that balances functionality and aesthetics. This rectangular candy tin box is engineered with a hinged lid for easy opening and closing, enhancing user convenience while keeping contents fresh. The base material, tinplate, is selected for its corrosion resistance and sturdiness, with a 0.23mm thickness ensuring the box maintains its shape during transportation and storage—perfect for protecting candies from moisture and external damage.

Customization is at the core of our offerings. From structural adjustments to size modifications (with the 1168332mm specification as a standard option) and personalized printing, we cater to unique brand requirements. The printing process integrates CMYK for rich color gradients and spot color for precise brand logo or design reproduction, ensuring your packaging stands out on shelves. Whether for promotional events, retail sales, or gift packaging, the customizable design helps elevate brand recognition.

Based in Guangdong, China, our facility operates as a trusted [\*\*China Custom Rectangular Candy Tin Box Factory\*\*](#), equipped with advanced production lines and strict quality control systems.
