

Custom Rectangle Slim Tin Fly Box

Sleek, Durable, and Fully Customizable - Your Ideal Packaging and Storage Solution

Looking for the perfect combination of elegance, functionality, and personalization in your packaging? Our [Custom Rectangle Slim Tin Fly Box](#) delivers just that. Designed with a modern slim profile and made from high-quality tinplate, this compact hinged box is ideal for fly fishing gear, small tools, crafts, promotional gifts, or luxury retail products. Whether you're a brand looking to elevate your packaging or a retailer sourcing premium storage boxes, this tin box brings sophistication and durability in one streamlined design.

Premium Design and Materials

Our Rectangle Slim Tin Fly Box is crafted using eco-friendly, food-safe tinplate, offering excellent corrosion resistance and reusability. The slim, rectangular shape provides just enough space to securely store small items while maintaining a minimal footprint. Its rounded corners and smooth edges ensure safe handling, and the hinged lid opens and closes with a satisfying snap, keeping your contents protected.

Product Features:

- **Material:** First-grade tinplate
- **Shape:** Slim rectangle
- **Closure:** Hinged flip lid (snap-shut)
- **Finish:** Matte, glossy, or embossed (custom options available)
- **Customization:** Logo printing, embossing, color coating, and interior inserts
- **Applications:** Fly fishing boxes, retail packaging, promotional gifts, craft kits, collector's tins

Fully Customizable for Your Brand

What sets us apart is the complete customization we offer. As a [**Personalized Hinged Tin Can Factory**](#), we work closely with brands and businesses to develop packaging solutions that match your identity. Whether you want your logo embossed on the lid, a full-color printed design, or custom inserts for your product, we can tailor every element to meet your vision.

Customization Options:

- Custom sizing and dimensions
- Full-color CMYK or Pantone printing
- Embossed or debossed branding
- Gloss, matte, or metallic finishes
- Custom mold design for exclusive shapes

- EVA foam, flocked trays, or paper inserts available

Our in-house design team can support you from concept to production, ensuring your packaging stands out on the shelf and enhances your customer experience.

Fast Production & Global Shipping

We understand that speed matters. Whether you're preparing for a product launch or need restocks urgently, we offer **Custom Flip Lid Box Fast Delivery** thanks to our streamlined manufacturing and logistics systems. With advanced equipment and skilled technicians, we minimize lead times without compromising on quality.

- **Minimum Order Quantity (MOQ):** Flexible depending on customization level
- **Lead Time:** Standard 15-20 days, rush orders available
- **Shipping Options:** Air freight, sea freight, express courier
- **Sample Service:** Pre-production samples within 5-7 days

Our rapid turnaround helps you meet deadlines with confidence, while our quality control team ensures every piece meets rigorous standards before shipment.

- High-volume manufacturing capabilities
- Professional support in English and Chinese

- Sustainable and eco-friendly packaging solutions

From small businesses to global brands, we have helped hundreds of clients create signature packaging that elevates their products and resonates with consumers.

Use Case Spotlight: Fly Fishing Box

Originally designed for fly fishing enthusiasts, the slim tin box remains a favorite among anglers for its portability, water resistance, and customizable interior. EVA foam inserts can be added to neatly secure fly hooks, lures, and small tackle, making it a reliable tool in the field.

But its functionality extends far beyond fishing. This versatile tin is also ideal for:

- Gift packaging
- Jewelry or accessory storage
- Premium tea or candy tins
- DIY kits or craft supplies
- Event giveaways and branded merchandise
