

## Custom Custom Small Metal Rolling Tray

This Custom Small Metal Rolling Tray is produced by a [Chinese tin box manufacturer](#) and is made of high-quality tinplate material to ensure the durability and protection of the packaging. Tinplate not only has good moisture and oxidation resistance, but also effectively maintains the freshness and taste of cannabis cigarettes, making it an ideal material for cannabis storage.

### Exquisite design of Custom Small Metal Rolling Tray

This tin is made from 0.23mm tinplate which meets food grade for packaging. Customization is supported in size, shape, and printing.

### Environmental protection and sustainability

The tinplate used in the Custom Small Metal Rolling Tray is a recyclable material that meets modern environmental protection requirements. After using the product, consumers can reuse it to store other food or items, extending the service life of the tin box, reflecting the manufacturer's social responsibility in environmental protection.

The [Custom Small Metal Rolling Tray](#) not only has excellent functionality, but also adds a lot of appeal to chocolate products through the design. It is an ideal choice for snack, gift, and consumer packaging, which not only protects the quality of marijuana cigarettes, but also adds a sense of sophistication and thoughtfulness to the brand.

## **Regular inventory of more than 1,000 tons of raw materials**

which ensures the prices of our tin boxes are stable  
and the long-term cooperation is more guaranteed
