

50×50×73mm Premium Red Square Tea Tin Box

Crafted by China Tea Tin Box Factory with Precision & Passion

Product Overview

As a leading **tea tin box manufacturer**, our newly launched 50×50×73mm square tea tin box redefines elegance and functionality in tea storage. Designed for tea enthusiasts and brands seeking premium packaging, this vibrant red square tin combines aesthetic appeal with superior preservation technology. Perfect for storing loose-leaf teas, herbs, or coffee, it embodies the expertise of a **China tea tin box factory** committed to innovation and quality.

Core Advantages

1. Exceptional Material & Durability

- Made from 0.23-0.38mm high-grade *tinplate* (food-grade certified), this **tea tin box square** ensures long-term protection against moisture, light, and oxidation.
- Advanced UV printing technology creates a scratch-resistant, glossy finish, while the reinforced edges enhance structural integrity for repeated use.

2. Perfectly Sized & Portable

- Compact dimensions (50×50×73mm) offer optimal storage for 50-100g of tea leaves, ideal for personal use, gifting, or retail display.
- Lightweight yet sturdy design ensures easy portability for travel or daily carry.

3. Superior Seal & Freshness

- Features a precision-engineered *twist-lock lid* with silicone gasket, achieving airtight sealing to preserve aroma and flavor for up to 24 months.
- Inner lacquer coating prevents metal-taste transfer, maintaining tea purity.

4. Customization Flexibility

- As a **tea tin box manufacturer**, we offer *tailored solutions*:
 - Logo engraving (flat/3D) for brand reinforcement.
 - Multi-color printing (CMYK/Pantone) to match brand aesthetics.
 - Adjustable capacity and accessory integration (e.g., inner foil bags, dividers).
-
