

At Shangzhimei tin box manufacturer, we are constantly innovating to meet market demand. Our latest product, irregular chocolate tin box, not only breaks the convention in shape, but also reaches new heights in practicality and aesthetics.

High-quality materials

Material: 0.23 mm thick tinplate is used, which not only ensures the sturdiness of the box, but also makes it light and easy to carry.

Size: 350x220x48 mm, large capacity, suitable for candies, biscuits, mints and other delicious snacks.

Unique irregular shape

Eye-catching: The irregular shape breaks the monotony of traditional packaging, making it easier to stand out from many products and attract consumers' attention.

Enhance brand image: The unique design can enhance the uniqueness and fashion sense of the brand, and make consumers have a deep impression of the brand.

Multifunctional use

Wide range of applications: Not only suitable for chocolate, but also candy, biscuits, mints, etc., with strong applicability to meet the needs of different consumers.

Multiple uses: The iron box is sturdy, durable and reusable, which is not only environmentally friendly, but also increases the added value of the product.

Exquisite design

Appearance design: A variety of patterns and colors can be designed according to customer needs, making each iron box unique and highly collectible.

Detail processing: Every detail has been carefully designed and processed to ensure the beauty and practicality of the product.

Market advantages

The irregular chocolate iron box is not only a simple package, but also a marketing tool. Its unique shape and exquisite design can effectively attract consumers' attention and increase product exposure and sales. At the same time, the multifunctional use and environmental protection characteristics also meet the needs of modern consumers, making it a hot-selling product on the market.

Choosing Shangzhimei's irregular chocolate iron box is to choose innovation and quality. We believe that this unique iron box can add a lot of color to your product and help sales.
