

In the current packaging market, the 110-75-17mm hinged tin box stands out with its unique charm. Our **China Rectangle Tin Box Factory** is dedicated to producing such high-quality tin boxes and is committed to providing excellent packaging solutions for global customers.

This 110-75-17mm hinged tin box is made of high-quality tinplate. Tinplate has good strength and corrosion resistance, which can ensure that the tin box remains intact in various environments and provides reliable protection for the internal items. Its thickness is carefully designed to ensure the durability of the tin box without being overly heavy, making it convenient to carry and use.

110*75*17MM

The unique hinge design is a major highlight of this tin box. The hinge is of high quality, with smooth opening and closing, and can withstand repeated use many times without being easily damaged. This makes the tin box more convenient to use. Whether it is used to place small items such as small ornaments, badges, and U - disks, or as a stationery storage box, it can easily handle the task. When you gently open the tin box, the smooth feeling will make you praise its quality.
