

Strong Stock Supply and Manufacturing Capabilities: As a **professional manufacturer of off-the-shelf tin packaging**, we understand the market's need for fast delivery. This 81.5mm diameter round tin can is available in standard heights (100mm & 160mm). Crafted from high-quality 0.23mm thick tinplate, it ensures a stable structure and provides essential moisture-proof, light-proof, and airtight protection. Whether you need urgent stock replenishment or a small trial run, our stock availability provides timely support, significantly shortening your time-to-market.

Quality-focused tea packaging experts: We are **China's leading supplier of round tea tin cans**. Tinplate, with its excellent barrier properties (moisture, oxidation, light, and aroma), is recognized as an ideal choice for preserving the flavor and freshness of tea. Our 81.5mm round tin cans offer a clean, odor-free interior and excellent sealing, effectively locking in the tea's aroma. A wide range of colors (orange, red, silver, gold, black, and white) and flexible printing options (UV printing and screen printing) make your tea brand stand out on the shelf and convey a sense of quality.

A flexible wholesale partner for customization: We are your reliable **wholesale manufacturer of lightly customized round tin cans**. Beyond standard sizes and colors, we understand the importance of customization. Whether adjusting can height, designing unique features (such as inner lids and clasps), or customizing small or multiple batches with logos, images, and text, we offer cost-effective solutions. From "light customization" (color selection and simple printing) to in-depth modifications, we meet your packaging needs for uniqueness at wholesale prices, helping you create a unique brand image while effectively controlling packaging costs.
