

At Shangzhimei Tin Box Manufacturer, we are constantly innovating to meet the diverse needs of our customers. Our sliding lid tin box is not only small and portable, but also takes into account practicality and aesthetics in design.

### **High-quality materials**

Material: 0.23 mm thick tinplate is used to ensure the firmness and durability of the box.

Size: 95x55x18 mm, small and exquisite, easy to carry, suitable for pockets or handbags.

### **Sliding Lid Design**

Convenient Opening and Closing: The sliding lid design makes the opening and closing of the box more convenient, and easy to access the internal items.

Tightly sealed: The sliding lid can ensure that the box is tightly sealed when closed to prevent the candies, mints, etc. inside from getting damp or spilling.

### **Multifunctional use**

Wide range of applications: Not only suitable for small snacks such as mints and candies, but also for

storing pills, small accessories, etc., to meet a variety of daily needs.

Environmentally friendly and durable: The iron box is sturdy and durable and can be reused many times. It is not only environmentally friendly, but also increases the practical value of the product.

### **Portability**

Compact design: The box is small and easy to carry, which is very suitable for traveling or daily use.

Lightweight and simple: Light weight and simple structure, it does not take up space, and you can enjoy the delicious food inside at any time.

### **Market advantages**

The unique design and multifunctional use of the sliding lid iron box give it a significant competitive advantage in the market. Its convenient use and portable characteristics are especially suitable for consumers in modern fast-paced life. At the same time, the environmental protection and durability characteristics are also in line with the current consumption trends.

Choosing Shangzhimei's sliding lid iron box is not only choosing a high-quality product, but also choosing a convenient and environmentally friendly lifestyle. We believe that this sliding lid tin box will become a hot-selling product in the market, bringing more attention and sales to your brand.
